

Ann Folin, RN, CNOR, MSN

Ann Folin is the Clinical Nurse Co-ordinator for Mölnlycke Health Care Region North. She has been working as a registered nurse in surgical ward departments 10 years and has another 11 years experience as an Operating Room Nurse in the Orthopedic specialty. She has a Master of Medical Science with a major in Nursing January 2001 from the Karolinska Institute of Nursing Solna in Sweden. One of her many working tasks and big interests are to educate in different measurements that can be done to prevent the spread of different infections in the health care setting.
