

Curriculum Vitae  
Christina Etén Bergqvist  
561218

<b>First name</b>	<u>Christina Elisabeth</u>
<b>Family name</b>	Etén Bergqvist
<b>Address work</b>	Operationsavdelningen Dept Obstetrics and Gynecology Skane University Hospital, Lund SE-221 85 Lund Sweden
<b>Address home</b>	Betniaplan 1 SE-211 55 Malmö Sweden
<b>e-mail</b>	<a href="mailto:ceb@telia.com">ceb@telia.com</a>
<b>Telephone</b>	+46 46 172530 work +46 708614198 cell phone
<b>Degrees</b>	Registered Nurse (1978)  Operating Room Nurse (1981)  Bachelor in Medical Science, Major: Nursing (2007)
<b>Other education</b>	Gynecology (1990)  Guidance and Counselling in caring relationships for nurses (1995)  Continence adviser (1997)  Women's health, part of Master degree (2009)  daVinci Coordinator Course (2010)
<b>Clinical proficiency</b>	Reg nurse, General ward for elderly, Sundsvalls Sjukhem 3 months 1978  Reg Nurse, Psychiatric ward, Central Hospital, Halmstad 12 months 1978-1979  Reg nurse, Neonatal Intensive Care Unit, Lund University Hospital 12 months 1979-1980

<b>Clinical proficiency cont.</b>	Operating Room Nurse, Dept Obstetrics and Gynecology, Lund University Hospital, 1981 - ongoing
	Section manager, OR, Dept Obstetrics and Gynecology, Lund University Hospital, 2002-2005
<b>Responsible OR nurse</b>	Postgraduate courses in urinary incontinence and incontinence surgery, Lund University Hospital between 2003 - 2009
	Practicum Robotic School, Lund University Hospital 2009-ongoing
<b>Lecturer</b>	Lecturer at the specialist education for OR Nurses at the Dept of Health Sciences, Faculty of Medicine, Lund University (Perioperative Nursing and Incontinence surgery)
<b>Membership</b>	Swedish Operating Room Nurses Association (SEORNA)
	Nordic Operating Room Nurses Association (NORNA)
	European Operating Room Nurses Association (EORNA)
	Svensk Användareförening för Medicinsk Teknik och IT (SAMTIT)
	European Society of Gynecological Oncology (ESGO)
	Society of European Robotic Gynecological Surgery (SERGS)
<b>Board member</b>	Swedish Operating Room Nurses Association 1998-2007
	European Operating Room Nurses Association 2001– 2007
<b>Member of organizing committee</b>	SEORNA congresses 1998-2007
	The first Crafoord Conference; Evolution of Robotic Surgery in Europe. Lund University Hospital, 2007.

**Course director** The first Crafoord Conference; Evolution of Robotic Surgery in Europe, Lund University Hospital, 2007. Nurses Break Out Session.

2<sup>nd</sup> European Symposium on Robotic Gynecological Surgery, SERGS. Lund, September 2010  
Nurses Break Out Session

**Chairman** Scientific Task Group, EORNA 2006-2007

**Member of Scientific Committee** The 4<sup>th</sup> European Operating Room Nurses Association, Dublin 2006  
Also moderator at the same congress

**Poster presentation** “Kvalitetssäkring vid laparoskopisk kirurgi”  
SEORNA Congress, Stockholm, 2005.  
Co- author: Ann Gyllenberg

“Quality Assurance in Laparoscopic Surgery”  
2<sup>nd</sup> EORNA Congress, Bergen 2000.  
Co-author: Dr Jan Persson

**Awards** Annual prize of Quality Assessment, Lund University Hospital, 2000, for the above mentioned poster with Dr Jan Persson.

**Scholarships** Mölnlycke Health Care 1996  
Participation in the 1<sup>st</sup> EORNA Congress, Brussels

Gibeck/Regent 1998  
Visit to Bristol Urological Institute, Bristol

Christina de Korostenskis minnesfond 2008  
Visit to OLW Ziekenhuis, Aalst, Belgium  
Together with Barbro Glad, ORN, Dept OB/GYN  
Lund University Hospital

### **Publications**

1. Kvalitetssäkring av laparoskopisk kirurgi. 1997 (9) 1:38 Uppdukat (SEORNA Journal)  
Co-author Ann Gyllenberg.

2. Laparoskopisk inkontinenskirurgi. 1998 (10) 2: 31- 33. Uppdukat (SEORNA Journal).  
Co-authors: Kerstin Johansson and Ingrid Nilsson.

3. Hypotermi. 1999 (11) 2:68 Uppdukat SEORNA Journal

4. Robotassisterad laparoskopisk kirurgi inom gynekologi. 2009 1: 8-10 Pinsetti (Finnish OR Nurses Journal)

5. Robotassisterad laparoskopisk radikal hysterektomi med sentinel node teknik. 2010 (22) 1: 17-21. Uppdukat (SEORNA Journal). Co-author Barbro Glad.

### **Presentations at congresses and seminars**

1. Single-use material in the operating theatre – a great advantage compared to reusable material.

Russian Operating Room Nurses Association Congress, Moscow, Russia, Nov 2003

2. Tät men inte nöjd – om kvinnors livskvalitet före och efter inkontinenskirurgi.

Norwegian Operating Room Nurses Association Congress, Stavanger, Norway, Sept 2004

3. Tät men inte nöjd.

Swedish Operating Room Nurses Association Congress, Uppsala, Sweden, Nov 2004

4. Building a robotic team: the importance of team work.

The First Crafoord Conference; Evolution of Robotic Surgery in Europe, Lund, Sweden, April 2007

5. The future role of the OR nurse – robotic specialist or scrub nurse?

The First Crafoord Conference; Evolution of Robotic Surgery in Europe, Lund, Sweden, April 2007

6. Robotkirurgi.

Network for GYN Oncology Nurses in the southern region of Sweden, Lund, Sweden, Oct 2007

7. Working as an OR nurse in robotic-assisted laparoscopic surgery.

Irish Operating Room Nurses Association congress, Ballinasloe, Ireland, April 2008  
(Also member of the Poster Jury at this congress)

8. Working as an OR Nurse in robotic-assisted surgery.

The 2<sup>nd</sup> Congress of Nordic Operating Room Nurses Association, Stavanger, Norway, May 2008

9. Robotassisterad laparoskopi inom gynekologi.

Autumncongress, Swedish Operating Room Nurses Association, Stockholm, Sweden, Nov 2008

10. Robotassisterad laparoskopisk kirurgi inom gynekologi.

Studiedag för anestesi och operation, Universitetssjukhuset, Lund, Sweden, Dec 2008

11. Patientsäkerhet vid robotkirurgi.

Perioperative Nurses Day SEORNA, Lund, Sweden, Feb 2009

12. Robotic surgery; a challenge for perioperative nurses,

The 5<sup>th</sup> European Operating Room Nurses Association Congress, Copenhagen, Denmark, April 2009

13. Quality of life in women after incontinence surgery.  
The 5<sup>th</sup> European Operating Room Nurses Association Congress, Copenhagen, Denmark,  
April 2009
  14. Robotassisterad laparoskopisk kirurgi.  
Svensk Användareförening för Medicinsk Teknik o IT, Upplands Väsby, Sweden, April 2009
  15. How to set up a robotic OR-team.  
1<sup>st</sup> European Symposium on Robotic Gynecological Surgery. Society of European Robotic  
Gynecological Surgery, Milan, Italy, Sept 2009
  16. Training in robotic surgery.  
1<sup>st</sup> European Symposium on Robotic Gynecological Surgery. Society of European Robotic  
Gynecological Surgery, Milan, Italy, Sept 2009
  17. OR set up and patient positioning  
1<sup>st</sup> European Symposium on Robotic Gynecological Surgery. Society of European Robotic  
Gynecological Surgery, Milan, Italy, Sept 2009
  18. Working as an OR nurse in Robotic Surgery.  
Finnish Gynecology Association Congress, Helsinki, Finland, Sept 2009
  19. Robotkirurgi och operationssjuksköterskans arbete.  
Vårdmässan, Lund, Sweden, Sept 2009
  20. Vad krävs av operationssalen vid robotkirurgi?  
Symposium ”Skapa Medicinska Rum”, Bålsta, Sweden, Oct 2009
  21. Det perioperativa arbetet vid robotassisterad kirurgi.  
NSFLOS Hordaland Congress, Bergen, Norway, Nov 2009
  22. Teamwork och kommunikation; en utmaning vid robotassisterad kirurgi.  
Autumn congress, Swedish Operating Room Nurses Association, Stockholm, Nov 2009
- Future congresses**
23. Robot-assisterad kirurgi – kommunikation.  
Vårdtåget, The Swedish Association of Health Professionals, Eslöv, Sweden, May 2010
  24. SERGS Congress, Lund, Sweden, Sept 2010
  25. Patient safety and hygiene in robot assisted surgery.  
Nordic Operating Room Nurses Association Congress, Iceland , May 2011  
Abstract submitted
