

**First name** Jan Erik Urban

**Family name** Persson

**Date of birth** 1958-06-30

**Gender** Male

**Nationality** Swedish

**Marital status** Married  
One daughter born 1989, two sons born 1991 and 1995

**Address** Dep. of Obstetrics and Gynecology, Lund University  
Hospital, (USiL) SE 22185 Lund, Sweden  
Home address: Östratornvägen 45, 224 68, Lund,  
Sweden

**Telephone** +4646172685 (work)  
+46462112080 (home)  
+46733522080 (cell phone)

**e-mail** [jan.persson@med.lu.se](mailto:jan.persson@med.lu.se)

**Degrees** Medical Doctor (läkarexamen) Medical faculty, Lund  
University 1986

Authorized physician (legitimerad läkare) 1988

Specialist in Obstetrics and Gynecology, 1992

Doctor of medical science (medicine doktorsexamen)  
Medical faculty, Lund University, May 2001.  
Tutor Pål Wölner Hanssen

**Clinical proficiency** Junior resident (underläkare) Dep of Blood chemistry  
and transfusion, Malmoe University Hospital, 2 months  
1984.

Junior resident (underläkare) Dep of Surgery, Luleå  
hospital. 11 months 1985-86.

Junior resident (underläkare) Dep of Orthopedics,  
Malmoe University Hospital, 2 months 1986.

Internship; general medicine, general surgery,  
anaesthesiology, general practice, psychiatry, (AT-

	tjänst), Ängelholm hospital, August 1986-May1988.
	Specialist training in Obstetrics and Gynecology (FV-tjänst), Ängelholm hospital, May 1988 to June 1992.
<b>Clinical proficiency, cont.</b>	Senior registrar ( avdelningsläkare/specialistläkare) Ängelholm hospital, June 1992- Sept 1992.
	Senior registrar (avdelningsläkare/specialistläkare) Lund University Hospital, October 1992- August 2001.
	Consultant (överläkare) dep of gynecological oncology The Norwegian Radium Hospital, Nov 1999-Jan 2000.
	Consultant (överläkare) dep of gynecological oncology The Norwegian Radium Hospital, June 2000-Sept 2000.
	Consultant (överläkare) dep of gynecological oncology The Norwegian Radium Hospital, August 2001-Febr 2002.
	Honorary Contract, Royal Marsden Hospital, London, UK. Dec 2007
	Honorary Contract, The Christie NHS Foundation. Manchester, UK, May 2009.
<b>Current clinical position</b>	Consultant (överläkare) dep of Obstetrics and Gynecology, Lund University Hospital, Febr 2002- ongoing.
<b>Clinical leadership</b>	Head of division of urogynecology 1998-2001, 2002- 2004.
	Head of department of gynecological surgery 2002- ongoing
	Director of minimally invasive and robotic surgery 2005-ongoing
	Headmaster of Practicum Robotic School, Lund University Hospital, 2009- ongoing
<b>Academic position</b>	Teaching assistant; amanuensis ( Klinisk amanuens, dep of OB&G, Lund university hospital) 950904-951029.
<b>Course director</b>	Regional official course in urinary incontinence for midwives (one week course to obtain prescription right).

**Course director cont.**

1996 and 1997. (two courses)  
Seminar on genital malformations. Lund University  
Hospital, 31/10 2002.

Postgraduate course in basic laparoscopic surgery  
approved by the Swedish Society of Obstetrics and  
Gynecology (SFOG, efterutbildningskurs), Lund  
University Hospital, Practicum.  
9 courses between 2002 and 2007

Postgraduate course in urinary incontinence and  
incontinence surgery approved by Swedish Society of  
Obstetrics and Gynecology (SFOG,  
efterutbildningskurs), Lund University Hospital,  
Practicum  
4 courses between 2003 and 2007

“How to improve treatment of primary and recurrent  
ovarian cancer”, Symposium Lund University Hospital.  
April 2006.

Workshop in laparoscopic and robotic surgery for  
gynecological malignancies. Lund University Hospital  
May 2006.

Workshop in basic and advanced laparoscopy in  
gynaecological cancers. Lund University Hospital  
September 2006.

The first Crafoord conference. Evolution of robotic  
surgery in Europe. Lund University Hospital April 2007.  
Course director of gynaecological programme

Undergraduate course (3 days) in basic laparoscopic  
surgery, Lund University Hospital, Practicum and Dep  
of OB&G. 2008.

“Minimally invasive and robotic surgery in infertility  
and pregnancy”. Symposium, Lund University Hospital,  
June 2009.

Society of European Robotic Gynecological  
Surgeons, ”SERGS” first European Congress.  
Milan, Sept 2009, Course director for benign  
programme.

Society of European Robotic Gynecological  
Surgeons, ”SERGS” Second European Congress, Lund  
Sept 2010, Chairman of organizing committee, course  
director, ( not yet held)

**Member of organizing committee**

“Why Skills centres”. The first Öresund symposium of clinical skills training. Rigshospitalet Copenhagen Nov 2004. Cooperation with Rigshospitalet, Copenhagen. Member of organizing committee.

“Developing skills centres” The second Öresund symposium of clinical skills training Lund University hospital Nov 2005. Cooperation with Rigshospitalet, Copenhagen. Member of organizing committee.

**Invited lecturer**

See pedagogical merits  
19 international conferences/ courses  
9 national conferences / courses  
Assigned member of international faculty at 9 occasions including keynote lectures, live surgery demonstrations, state-of-the-art lectures, member of expert panels.

**Assigned member of faculty**

See above

**Teaching /tutor**

Registered co-supervisor PhD-student Celine Lönnerfors, MD, medical faculty, Lund University

Tutor for PhD student to be, Dr Petur Reynisson  
Tutor for PhD student to be, Dr Maria Andrada  
Tutor for PhD student to be, Dr Barbara Geppert

Tutor for clinical research methodology course, identification of Sentinel Lymph node in early endometrial cancer 2006 ( Forskningsmetodikkurs 20 p, Helsingborgs lasarett, 2006) Dr Peter Hinzell, Dr Catharina Hofte

Tutor for project work in education to incontinence advisor (Handledare för fördjupningsarbete 5 poäng, Evaluation of QoL forms used in urinary incontinence, Christina Eten-Bergqvist, sektionen för omvårdnad, Inst. för hälsa, vård och samhälle) Medical faculty Lund University.

Tutor for project work (Handledare för kandidatexamen 10 poäng, Utvärdering av QoL efter operationer för urininkontinens, Christina Eten-Bergqvist, Sektionen för omvårdnad, Inst. för hälsa, vård och samhälle) Medical faculty, Lund University.

Member of evaluation board at ”half-time evaluation”

PhD student Yasameen Fakir, March 2004.

**Research co-workers**

Göran Lingman Associate professor dep of OB&G Lund University hospital-ongoing

Bengt Källen Prof Emeritus, Tornblad institute, Lund-ongoing.

Bengt Lindahl Associate professor dep of OB&G Lund University hospital- ongoing

Thomas Högberg Associate professor Oncologic centre, Lund university Hospital- ongoing

Christer Borgfeldt. Associate prof, dep of OB&G Lund University hospital-ongoing

Päivi Kannisto, associate professor, dep of OB&G Lund University hospital- ongoing

Kjell Bergfeldt MD PhD, dep of gyneoncology, Lund University hospital-ongoing

Thomas Bossmar, MD PhD,dep of OB&G Lund University hospital-ongoing

Celine Lönnerfors, MD, dep of OB&G Lund University hospital- ongoing

Petur Reynisson, MD, dep of OB&G Lund University hospital-ongoing

Maria Andrada, MD, dep of OB&G Lund University hospital- ongoing

Barbara Geppert MD, dep of OB&G Lund University hospital- ongoing

**Awards**

Lund University Hospitals price for quality assessment work 2000

Price for second best presentation, World Robotics Gynecology Congress, Chicago May 2009.

**Other experience**

Part time (10-25%) employment during 2004-2005 to establish and develop cooperation in the Öresund region (southern Sweden- Denmark Copenhagen area) within the area of clinical skills training as a part of a Common Market project.

Associated work with the local establishment of Practicum, Lund Clinical Skills Centre which opened September 2005, now accredited as a level one educational institute by American College of surgeons.

**Administrative merits**

- Assigned administrator of Internships (Arvoderad schemaläggare för AT-läkare), Ängelholm hospital, 1988-1992.

-Head of division of urogynecology (ledningsansvarig läkare för urogynekologi), dep of OB&G, Lund University Hospital, 1998-2001 and 2002-2004.

-Head of department of gynecological surgery (ledningsansvarig läkare, kvinnoklinikens operationsavdelning) dep of OB&G, Lund University Hospital, 2002-ongoing.

-Director of minimally invasive and robotic surgery. Dep of OB&G, Lund University Hospital. 2005-ongoing

-Chairman of national collaborative group, laparoscopic surgery for gynaecological malignancies (Ordförande i samarbetsgrupp gällande laparoskopisk gynekologisk tumörkirurgi, MIG-ARG och Tumör ARG, SFOG) 2004-6.

-Member of hospital steering group for robot assisted surgery. (Medlem i central styrgrupp på USiL för robotkirurgi) Lund University Hospital, 2004-ongoing

Headmaster of Practicum Robotic School, Lund University Hospital, 2009- ongoing

**Chairmanship / presidencies**

Chairman, Swedish Association of Younger Doctors, regional chapter (Ordförande i SYLF läns läkarförening) 1986-1988.

Vice Chairman, Swedish Medical Association, regional chapter (vice ordförande i Kristianstads läns läkarförening) 1986-1988.

Council member of SERGS , Society of European Robotic Gynecological Surgeons,

President elect of SERGS (from 2011)

**Clinical programme committees**

Member of national programme committee for

endometrial cancer

Member of regional program committee for vulvar cancer, cervical cancer and endometrial cancer

Previous member of regional program committee for ovarian cancer

## **Membership**

Swedish Society of Obstetrics and Gynecology (SFOG)

Nordic Society of Gynecological Oncology (NSGO)

European Society of Gynecological Oncology (ESGO)

Society of European Robotic Gynecological Surgeons (SERGS)

Society of Robotic Surgeons (SRS) (Invited key member)

## List of publications Jan Persson

### a). Doctoral thesis

Stress urinary incontinence among women. Aspects of risk factors, evaluation and surgical treatment. Doktorsavhandling 2001. ISBN 91-628-4692-2

### b) Publications in peer reviewed journals.

- 1\*. **Jan Persson**, Pål Wölner-Hanssen, Håkan Rydhström. Obstetrical risk factors for stress urinary incontinence: A Population based study. *Obstet Gynecol* 2000;96:440-5.
