

Lund-Copenhagen June 6-9, 2009

## PROGRAM OVERVIEW

### Saturday June 6th

Time	Sessions in Lund City Hall	Konferensalen
19.00-	Official opening	
19.15	Welcome lecture Revealing autoimmunity through the genetics of animal models -Rikard Holmdahl, Lund	Konferensalen
20.00	Welcome reception at Lund City Hall	

### Sunday June 7th

Time	Sessions in Lund City Hall	Konferensalen
09.00	Welcome	
09.05-09.50	Fokko van der Woude lecture Outcome of AASV-where are we today -Charles Pusey, London, UK	Konferensalen
09.50	Coffee & Exhibition	
10.20-	Minisymposium I Treatment of ANCA-associated small vessel vasculitis	Konferensalen
12.30	Lunch	
13.30-	Minisymposium II Large vessel vasculitis	Konferensalen
15.00	Coffee & Poster session I	
16.45-17.30	Autoinflammatory syndromes -Ivona Aksentijevich, Bethesda Md, USA	Konferensalen

### Monday June 8th

Time	Sessions in Lund City Hall	Konferensalen	Minisymposium IV B-cells and neutrophils in the pathogenesis of AASV	Sessionssalen
08.30-09.45	Clinical symposium Case reports and diagnostic techniques			
09.45	Coffee and poster session II			
11.00-12.20	Clinical symposium Case reports and diagnostic techniques	Konferensalen	Minisymposium IV B-cells and neutrophils in the pathogenesis of AASV	Sessionssalen
12.20	Lunch			
13.30-15.00	Minisymposium V Granuloma formation and T-cells	Konferensalen	Minisymposium VI Vascular biology and vasculitis	Sessionssalen
15.00	Coffee			
15.30-17.00	Pro-Con debate: Etiology of ANCA and AASV			Konferensalen
19.00	Banquet at Restaurant Glasklart in Malmö		18.30 Buses from Mårtenstorget	

### Tuesday June 9th

Time	Sessions in Lund City Hall	Konferensalen	Minisymposium VIII Epidemiology The complement and Contact system	Sessionssalen
08.30-09.15	More is less in type 1 diabetes genome wide association studies -relevance for AASV -Åke Lernmark, Malmö and Seattle:			
09.15	Coffee & Exhibition			
10.00-11.50	Minisymposium VII Epidemiology	Konferensalen	Minisymposium VIII Epidemiology The complement and Contact system	Sessionssalen
11.50	Summary in Lund			Konferensalen
12.00-14.00	Lunch and busses to Copenhagen			
Time	<b>Sessions at the Serum Institute in Copenhagen</b>			
14.00-15.30	Workshop I Epitope specificity	Forredragsalen	Workshop II ANCA for diagnosis	Kontinen
15.30	Coffee and walk to final workshop session		Workshop III Follow-up of ANCA associated vasculitis	Seminarum 1&2, Dyrning 98
16.00-17.00	Plenary session: Hot spots for further research and proposals for guidelines for the use of ANCA for diagnosis and follow-up			Gymnastiksalen
19.00	Farwell buffet at Troilj, Copenhagen
